

**PIs and senior staff members in the Department of Psychiatry – Speed Talks  
Away Day 23 January 2020**

<b>Team member</b>	<b>Topic</b>
<b>Round 1:</b>	
Mark Woolrich - Professor of Computational Neuroscience	Brain Network Dynamics
Mina Fazel – Associate Professor	School Mental Health Provision
Phil Burnet – Associate Professor	Neurobiology, Therapeutics, Experimental
Susannah Murphy – Senior Research Fellow	Psychopharmacology and Emotion Research Lab
Alejo J Nevado-Holgado – Lead of Bioinformatics and A. I.	Machine Learning on genome sequencing and Biomarkers in the clinic
Jacinta O'Shea – Wellcome / Royal Society Sir Henry Dale Fellow	Translational Neurostimulation Laboratory
Mike Browning – Associate Professor, MRC Clinician Scientist Fellow	Computational Psychiatry Lab
Rebecca Park – Associate Professor	Effective Intervention for Eating Disorders
John Geddes – Head of Department and Professor of Epidemiological Psychiatry	Trials and Devices
Clare Mackay – Professor of Imaging Neuroscience on behalf of Vanessa Raymont – Senior Clinical Researcher	Dementia Prevention and Clinical Trials
Michael Sharpe – Professor of Psychological Medicine	Oxford Psychological Medicine Centre – The HOME study
Clare Mackay – Professor of Imaging Neuroscience	Translational Neuroimaging Group – Brain Health Centre
<b>Round 2:</b>	
Liz Tunbridge – Associate Professor	Long-read sequencing reveals complex splicing profile of psychiatric risk gene CACNA1C in human brain
Andrea Cipriani – Professor of Psychiatry, NIHR Research Professor	PETRUSHKA (PErsonalise Antidepressant Treatment for Unipolar depression combining individual cHchoices, risKs and big data)
Elizabeth Rapa - Postdoctoral Researcher on behalf of Alan Stein	Child & Adolescent Psychiatry
Laurence Hunt – Wellcome/Royal Society Sir Henry Dale Fellow	Cognitive Computational Neuroscience Lab
Sana Suri – Alzheimer's Society Research Fellow	Heart and Brain Group
Seena Fazel – Professor of Forensic Psychiatry, Wellcome Trust Senior Research Fellow	Forensic Psychiatry

Cathy Creswell – Professor of Clinical Psychology	TOPIC (The Oxford Psychological Interventions for Children and adolescents Research Group)
Klaus Ebmeier – Foundation Chair of Old Age Psychiatry	Neurobiology of Ageing
Gabriela Pavarini – Postdoctoral Researcher on behalf of Ilina Singh	NEUROSEC – Ethics and Society through Research, Collaboration & Infrastructure
John Gallacher – Director DPUK and Professor of Cognitive Health	Dementias Platform UK
Belinda Lennox – Professor of Psychiatry	Early Psychosis Research Group
Paul Harrison – Professor of Psychiatry	Calcium (channels and Psychiatry Disorders)
