

Psychiatry for General Practitioners

Wednesday 15th May 2013

9.00am - 4.30pm

Richard Doll Building Lecture Theatre, Old Road Campus, Headington, Oxford

An intensive one-day course led by Prof Michael Sharpe and Dr Jane Walker of the University of Oxford Department of Psychiatry.

Nine topics, recommended by GPs, will be discussed by experts with an emphasis on practical application in everyday general practice.

£95 including refreshments.

Further details coming shortly.
